

## **DESCRIPTION AND GENERAL TERMS OF THE PARTNERSHIP PROGRAM AEROFLOT BONUS**

### **1. Program Overview**

Aeroflot Bonus is the frequent flyer program of Aeroflot Airlines (hereinafter the “Program”). Members of the Program (the “Members”) can earn Aeroflot Bonus miles when staying at AZIMUT Hotels or convert their AZIMUT Bonus points into Aeroflot Bonus miles.

### **2. Earning Miles for Hotel Stays**

Members earn 500 miles per night for every stay at AZIMUT Hotels. Miles are not awarded for stays at sanatoriums, A-Hotels, or at the METROPOL Hotel Moscow.

1. Miles are credited only if the guest is a registered AZIMUT Bonus Member;
2. Eligible room categories: Superior, Junior Suite, Suite, Deluxe Suite, Apartments, and Bungalows<sup>1</sup>;
3. Bookings must be made at Best Available Rate<sup>2</sup> or Flexible Rate<sup>2</sup> directly on the official website [www.azimuthotels.com](http://www.azimuthotels.com);
4. Miles are not credited for reservations made through third parties, special promotions, or discounted rates (including AZIMUT Bonus discounts);
5. This offer cannot be combined with other promotions or hotel offers;
6. The booking must be made for the Member’s own stay;
7. To receive miles, Members must present their Aeroflot Bonus card (physical or digital) at check-in;
8. If more than one Member stays in the same room, miles can only be credited to one Aeroflot Bonus card;
9. If the registered Member does not check in, miles will not be awarded;
10. Provided all conditions are met, miles are credited to the Member’s Aeroflot Bonus account between the 1st and 10th of the month following the stay;
11. It is not possible to earn AZIMUT Bonus points and Aeroflot Bonus miles for the same stay.

### **3. Converting AZIMUT Bonus Points into Aeroflot Bonus Miles**

1. Miles can only be transferred to the Member’s personal Aeroflot Bonus account. Transfers to third-party accounts are not allowed;
2. To convert points, the Member must be a participant in both programs: AZIMUT Bonus and Aeroflot Bonus;
